

Palau Public Utilities Corporation  
*Powering Palau into the Future*

## Job Vacancy Announcement

The Palau Public Utilities Corporation, a semi-autonomous agency of the Government of the Republic of Palau responsible for the operation and management of the electric utility infrastructure of the entire Republic including Power Systems in the Outlying Islands, is seeking a qualified and competent individual with a minimum of Bachelor's Degree in Engineering and/or MBA with minimum of five years experience to fill the following position:

- CEO/General Manager

Except as specifically limited by resolution of the Board of Directors, the General Manager will perform duties and responsibilities outlined in Section 7 of RPPL 4-13 to include, but not limited, to the following:

1. Overall management of PPUC in order to meet legal mandates in generation, transmission, and distribution of electricity within the entire Republic.
2. Implementation of Corporation's existing Site Master Plan
3. Ensure financial accountability, integrity and health of the Corporation and to safeguard advancement of the Corporation's mission and objective and growth as a public owned utility
4. Oversee construction, modifications, and replacement of Corporation's facilities
5. Performs other duties or projects as required or as assigned by PPUC's Board of Directors.

Salary is negotiable depending on qualification and experience. Interested individuals may obtain more information by contacting Office of the Board of Directors at telephone number (680) 488-3013, facsimile at (680) 488-3878. Complete resume can be forwarded to: [board@ppuc.com](mailto:board@ppuc.com).
