

JOB TITLE:     COMPROLLER

ORGANIZATION:  YAP STATE PUBLIC SERVICE CORPORATION  (YSPSC)

JOB LOCATION:        YAP ISLAND, FEDERATED STATES OF MICRONESIA

**JOB DESCRIPTION & QUALIFICATION:**

The Yap State Public Service Corporation seeks a Comptroller for its electric, water and waste water utility operations in Yap State, Federated States of Micronesia. The selected candidate will oversee a staff of 9 FTE in the management of all accounting and customer service operations for YSPSC. Manage accounts receivable, accounts payable, purchasing, inventory, fixed assets, payroll & human resources, billing, bank reconciliation and cash control functions. Prepare annual budget and periodic financial statements. Ensure compliance with grant and third-party loan requirements. Prepare for annual audit and coordinate with external auditors. Analyze and prepare statistical reports at management request.

The qualified candidate will possess an accounting degree, be a Certified Public Accountant and knowledgeable of utility operations. He/she will be familiar with GASB's, U.S. federal grant and audit regulations. Computer skills (MS Office, particularly Access) and proficiency in Peachtree Software required. He/She will be a self-starter with strong organizational skills and capacity to prioritize needs and work at a detail, hands-on level with local staff.

COMPENSATION:   Depending on the qualification and Experience of the individual applicant and negotiable.
