

UAE/INTERNATIONAL RENEWABLE ENERGY AGENCY (IRENA) SCHOLARSHIPS

REEEP is assisting IRENA with distribution of their recent announcement for MSc scholarships with the UAE.

This is a full scholarship available for 20 students from developing countries and includes tuition, accommodation, travel and stipend. The scholarship requires students to join a renewable energy related research project throughout their two-year programme.

Please note the deadline of **31 May 2011** for applications.

For more information please go to <http://www.irena.org/scholarships/scholarship.aspx> and please feel free to forward to interested parties.
