

ICB: SEIDP/ICB/1.11/2017
Solar and Wind Resource Measurement Campaign in the Pacific Islands
Sustainable Energy Industry Development Project (P152653)

Addendum # 1:

Dear Bidders:

In response to the feedback that has been received, the following changes are required in the bidding documents:

The ICB documents says:

On page 8/13, under Section I. Instructions to Bidders, Clause 5.6 says:

5.6	The figures for each of the partners of a joint venture shall be added together to determine the Bidder's compliance with the minimum qualifying criteria of ITB Sub-Clause 5.4(a), (b) and (e); however, for a joint venture to qualify the partner in charge must meet at least 40 percent of those minimum criteria for an individual Bidder and other partners at least 25% of the criteria. Failure to comply with this requirement will result in rejection of the joint venture's Bid. Subcontractors' experience and resources will not be taken into account in determining the Bidder's compliance with the qualifying criteria, unless otherwise stated in the BDS .
-----	--

The ICB should read as follows:

5.6	<p>The figures for each of the partners of a joint venture shall be added together to determine the Bidder's compliance with the minimum qualifying criteria of ITB Sub-Clause 5.5(a), (b) and (e); however, for a joint venture to qualify the partner in charge must meet at least 40 percent of those minimum criteria for an individual Bidder and other partners at least 25% of the criteria. Failure to comply with this requirement will result in rejection of the joint venture's Bid. Subcontractors' experience and resources will not be taken into account in determining the Bidder's compliance with the qualifying criteria, unless otherwise stated in the BDS.</p>
