Clarification # 3:

Question 1

Regarding travel expenses, will travel expenses be seen as reimbursable cost (accompanied by receipts) or as part of the lump sum? And should we submit it as part of the *Included Cost* in Table 2 (page 55)?

Answer 1

Travel expenses will form part of the lump sum and it is to be submitted as part of the included cost in table 2.

Question 2

On relocation of the LIDAR stations, would relocation to a new island be required, or would relocation to a new site on the same island be considered if the need is shown.

Answer 2

Relocation to a new island would be required.

Question 3

Can bids be submitted electronically?

Answer 3

No. Electronic submission of bids are not allowed.
