

REQUEST FOR TENDER

Avatiu Valley Power Station:
Switchroom 1 HV Switchgear Replacement Project

Te Aponga Uira invites bids from suitably qualified companies or groups for the replacement of aged HV Switchgear in Switchroom 1 of the Avatiu Valley Power Station. The successful Tender will be responsible for the supply and commissioning of the new Switchgear.

The Request for Tender documents can be obtained from the government procurement website www.procurement.gov.ck, Te Aponga Uira website www.teaponga.com, Pacific Power Association (PPA) website www.ppa.org.fj or the Contact below.

Interested parties must register with the Contact Officer at the email address below to receive relevant information pertaining to the Tender. Please note that bids are sought for the whole project and the site visit is optional. Registration is required by **25th May 2018** with the following Contact.

Apii Timoti
