

Call For Expressions Of Interest (Consultant Services)

**PACIFIC POWER ASSOCIATION
SUSTAINABLE ENERGY INDUSTRY DEVELOPMENT PROJECT**

**Consultant to update
the PPA's Strategic Plan**

Project ID No: P152653

Procurement No: SEIDP/ICS/3.17/2018

The Pacific Power Association (PPA) is a member of the Council of Regional Organizations in the Pacific. PPA is also a regional association of the power utilities of the Pacific Islands Countries and Territories (PICTs). The headquarters of the Association is in Suva, Fiji. In addition to 25 power utility members across the region, the Association has a large world –wide private sector membership. The Association conducts technical assistance and administers training and other assistance on behalf of its member's utilities, often in collaboration with donor organization.

The Pacific Power Association (PPA) has received funding from the World Bank to implement the Sustainable Energy Industry Development Project.

There are three components within the project:

- Ø Component 1. Renewable Energy Resource Mapping Phase 1
- Ø Component 2. Technical Assistance
- Ø Component 3. Implementation Support

The project will aim to increase the information available in the region on RE resources, provide planning tools and training in their use to PPA and member utilities, and increase the capacity of PPA to develop and undertake a capacity development plan for member utilities. Part of this capacity building will include providing support to PIC utilities to respond to natural hazards/climate shocks and reduce economic losses when disasters occur.

The PPA wishes to invite Expressions of Interest (EOI) for the services of an individual consultant to update the current PPA strategic plan. The consultant is expected to provide services which include revising and updating the PPA's strategic plan and to identify new goals and objectives for the period 2019 – 2023 with a view to extending or complementing the work undertaken as part of the SEIDP.

A copy of the Terms of Reference can be obtained from the PPA Secretariat at rapa@ppa.org.fj

Interested consultants must submit a Curriculum Vitae and EOI letter by email providing information indicating that they are qualified to perform the services. This EOI closes at 4pm, Friday 22nd June 2018.

The successful consultant will be selected in accordance with the procedures set out in the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrowers* (January 2011 edition)."

Information about the Pacific Power Association is available on www.ppa.org.fj

The EOI must be forwarded to:
