

Request for Bids Plant Design, Supply and Installation

Employer: *Solomon Islands Electricity Authority (Solomon Power)*

Project: *Electricity Access and Renewable Energy Expansion Project*

Contract title: *Design, Supply, installation and commissioning of a Solar Power Plant (SP Roof)*

Country: *Solomon Islands*

Credit No.: IDA-D3270

RFB No: SB-SP-97732-CW-RFB-2

Issued on: 09 September 2019

1. The **Ministry of Finance & Treasury has received** financing from the World Bank toward the cost of the **Electricity Access and Renewable Energy Expansion Project**, and intends to apply part of the proceeds toward payments under the Contract for **Design, Supply, installation and commissioning of a Solar Power Plant (SP Roof)**. For this contract, the Borrower shall process the payments using the Direct Payment disbursement method, as defined in the World Bank's Disbursement Guidelines for Investment Project Financing, and the "Additional Instructions: Disbursement" for this project, except for those payments which the contract provides to be made through letter of credit.
2. The **Solomon Islands Electricity Authority (Solomon Power)** now invites sealed Bids from eligible Bidders for the Design, Supply, installation and commissioning of a Solar Power Plant (SP Roof), at the head office in Ranadi, Guadalcanal, Solomon Islands. The turnkey process up to the plant operational acceptance will be six (6) months. The solar power plant will be grid connected inverter based generation, connected in to the existing switchboard of the head office. The successful Bidder will thereafter be required to provide operation and maintenance support to Solomon Power for a period of 12 months. Only eligible Bidders with key qualifications given below should participate in this bidding process.
 - net worth in the last financial year should be positive.
 - minimum average annual turnover of US\$500,000.00 within the last 3 years.
 - Cash flow requirements of US\$200,000.00.
 - participation as contractor, joint venture member, management contractor, or subcontractor, in at least two (2) similar contracts within the last three (3) years, with a combined value of at least Five Hundred Thousand US Dollars (US\$0.5M), that have been successfully and substantially completed.

3. Bidding will be conducted through international competitive procurement using a Request for Bids (RFB) as specified in the World Bank's "Procurement Regulations for IPF Borrowers" **July 2016, Revised November 2017 and August 2018** ("Procurement Regulations"), and is open to all eligible Bidders as defined in the Procurement Regulations.
4. Interested eligible Bidders may obtain further information from **Solomon Power, General Manager Capital Works** at CW.Procurement@solomonpower.com.sb. The bidding documents in **English language** may be obtained by interested eligible Bidders upon registering at the Tenderlink URL as follows: <https://www.tenderlink.com/solomonpower/>. The Invitation for Bids (IFB) is also available at the website of Solomon Power and Pacific Power Association.
5. Bids must be delivered to the address below on or before **10.00am (Honiara time) on 24 October 2019**. Electronic bidding **will not** be permitted. Late Bids will be rejected. Bids will be publicly opened in the presence of the Bidders' designated representatives and anyone who chooses to attend at the address below at **10.15am (Honiara time) on 24 October 2019**.
6. All Bids must be accompanied by a **Bid-Securing Declaration**.
7. Attention is drawn to the Procurement Regulations requiring the Borrower to disclose information on the successful bidder's beneficial ownership, as part of the Contract Award Notice, using the Beneficial Ownership Disclosure Form as included in the bidding document.
8. The address referred to above is:
