

Solomon Islands Electricity Authority trading as **SOLOMON POWER**

REQUEST FOR EXPRESSIONS OF INTEREST (CONSULTING SERVICES – INDIVIDUAL SELECTION)

Country: Solomon Islands
Project ID: P162902
Project Name: Solomon Islands Electricity Access and Renewable Energy Expansion Project (SIEAREEP)

IDA Grant No.: IDA-D3270

Assignment Title: Manager Construction

Reference No.: SP-C4-5

The Solomon Islands Electricity Authority (SIEA) trading as Solomon Power (SP) is a vertically integrated state owned enterprise that owns, maintains and operates the national electricity grid in the Solomon Islands. SIEA is currently experiencing an exciting time of capital infrastructure development, network expansion and transformational change, undertaking SBD \$1bn capital works program to building an electricity network model that allows it to better service its customers, improve affordability and accessibility and hence future proof the network.

The Solomon Islands Electricity Authority (SIEA) has received funds from the World Bank under the Solomon Islands Electricity Access and Renewable Energy Expansion Project (SIEAREEP). SIEA proposes to utilize part of funds in component 4 of SIEAREEP towards this proposed Consulting Services for the services of a **Manager Construction**.

Reporting to General Manager Capital Works (GMCW), the Manager Construction role for Solomon Islands Electricity Authority trading as Solomon Power (“Solomon Power”) is critical in the capital works team and he/she will be responsible to manage all construction activities for the Solomon Power Capital Works Team, including all funded projects from all funding organizations and also transfer knowledge and train team members. Over time the role will progressively take a support role to the Solomon Power team as the team’s capacity is enhanced. The initially duration for this role will be for 12 months with an option to renew for a further period based on satisfactory performance and further approval by Solomon Power.

The detailed Terms of Reference (TOR) for the assignment is attached to this REOI, and can also be obtained by emailing a request to recruitment@solomonpower.com.sb

The attention of interested individuals is drawn to paragraph 3.14, 3.16 and 3.17 of the World Bank’s *Procurement Regulations for IPF Borrowers* [August 2018] (“the Regulations”), setting forth the World Bank’s policy on conflict of interest.

Interested eligible individuals can obtain further information by writing to the email address below during office hours 8 am to 4:30 pm on business days, Monday to Friday.

Applications must include a cover letter and a clearly outlined CV that must include names and contact details for 2 referees. An application can be submitted in one of two ways: in a sealed envelope and clearly marked “**Manager Construction**” and addressed to:

Chief Executive Officer
Solomon Islands Electricity Authority
P.O. Box 6
Honiara
Attention: General Manager Corporate Services

Alternatively you can send in your application package to restricted email address: recruitment@solomonpower.com.sb, to be received before 4.00pm, Solomon Islands time, **Monday 14th October 2019.**
