**Client: MARSHALLS ENERGY COMPANY INC.**

**Country: Marshall Islands**

**Issued on Jan 25, 2021**

The Marshall Energy Company on behalf of the government of the Marshall Islands, now issues this **Clarifications 4 to the RFQ**, issued on November 16, 2020. This Clarifications No. 4 **dated Jan 25, 2021 now forms part of the RFQ** and should be recorded and noted in your Submission Letter. This clarifications No. 4 provides responses to questions received till date.

This Clarifications No. 4 provides the following clarifications:

Item No.	Question	Answer
1	we're looking for the exact locations of the EVCS, preferably in photos or on Google map. Do you have these?	As described in the RFQ, the 3 locations are at 1) MEC (Marshalls Energy Company) main office, 2) NEO office (new location of NEO in Uliga), 3) Majuro Airport parking lot. However, the exact location of the EV Charging stations will be decided after the project will be awarded to the successful bidder.

**Kamalesh Doshi**

Project Manager-SEDeP,

Marshalls Energy Company
