SECTION 1: Instructions to Consultants

1. Eligibility of the Consultant

A consultant must meet the following criteria to be eligible for an award of contract:

- The consultant shall not have a conflict of interest. All consultants found to have conflict of interest shall be disqualified. consultants may be considered to have a conflict of interest with one or more parties in the bidding process if they are or have been associated in the past, with a firm or any of its affiliates which have been engaged by the procuring entity to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this bidding document; or that has been hired (or is proposed to be hired) by the procuring entity as Project Manager for the Contract.
- The consultant must not be ineligible in accordance with Clause 2, Fraud and Corruption, at the date of contract award.
- A firm that has been sanctioned by the Government in accordance with ITC 4 shall be ineligible to be awarded a contract, or benefit from a Government-financed contract, financially or otherwise, during such period of time as the Government shall determine.
- The consultant (regardless of its country of registration and including any director, officer, manager or supervisor of the consultant) shall not within a period of 3 years preceding the date of issuance of the request for proposals have been:
 - a) convicted of any criminal offence, whether in Samoa or elsewhere:
 - (i) relating to his or her professional conduct;
 - (ii) relating to the making of false statements or misrepresentations as to his or her qualifications to enter into a procurement contract;
 - (iii) involving dishonesty; or
 - (iv) under anti-corruption legislation; or
 - b) suspended or disbarred by administrative or judicial proceedings from participating in procurements, whether in Samoa or elsewhere; or
 - c) convicted of an offence involving dishonesty, obstruction of justice or a lack of honesty or business integrity; or
 - d) convicted for an offence involving corruption; or
 - e) convicted for engaging in anti-competitive practices, whether or not involving collusion; or
 - f) deliberately neglectful or failed without good cause to perform a contract in accordance with its terms, if so serious in nature as to justify suspension or debarment.
- The consultant has received this invitation directly from the procuring entity.
- consultants shall provide such evidence of their continued eligibility satisfactory to the procuring entity as the procuring entity shall reasonably request.

- The consultant shall not have any competitive advantage over competing consultants.
- The consultant may not sub-contract the whole of the services.
- consultants may not associate with other consultants on the shortlist.

2. Fraud and Corruption

All participants in the selection process as well as consultants and their sub-consultants must observe the highest standard of ethics during the selection and execution of contracts. For the purposes of this section, the procuring entity:

(a) defines, for the purposes of this provision, the terms set forth below as follows:

- (i) “corrupt practice ” is the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- (ii) “fraudulent practice ” is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
- (iii) “collusive practices ” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- (iv) “coercive practices ” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- (v) “obstructive practice” means:
 - (aa) deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Government investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
 - (bb) acts intended to materially impede the exercise of the Government’s inspection and audit rights.

The procuring entity will:

- (i) reject a proposal for award if it determines that the consultant recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- (ii) cancel the portion of the funding appropriation allocated to a contract if it determines at any time that representatives of the procuring entity or of a beneficiary of the appropriation were engaged in corrupt, fraudulent, collusive, or coercive practices during the selection process or

- the execution of that contract, without the procuring entity having taken timely and appropriate action satisfactory to the procuring entity to address such practices when they occur;
- (iii) sanction a consultant, including declaring ineligible, either indefinitely or for a stated period of time, to be awarded a Government financed contract if it at any time determines that the consultant has, directly or through an agent, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for, or in executing, a Government financed contract; and
 - (iv) have the right to require that, in contracts financed by a Government appropriation, a provision be included requiring consultants to submit audited financial statements and the same to be certified by an independent auditor, and also to permit the Government to inspect their accounts and records and other documents relating to the submission of proposals and contract performance and to have them audited by auditors appointed by the Government.

A person who commits an offence relating to corrupt activities in Samoa shall

- (a) be liable for conviction under the provisions of the laws of the Independent State of Samoa relating to corrupt activities in Samoa;
- (b) have their bid rejected if it is determined that the consultant is not in compliance with the laws of the Independent State of Samoa relating to corrupt activities in Samoa;
- (c) risk other sanctions in accordance with the Procurement Suspensions and Debarments Procedure.

Furthermore, consultants shall be aware of the provision stated in GCC 35.1 of this bidding document with regard to termination.
