

**ENERGY FIJI LIMITED**

**BIDDING DOCUMENT**

**MR 20/2022**

**PREFERRED SUPPLIER FOR THE  
SUPPLY OF PETROL DRILL**

## Section 1. Instructions to Bidders

- 1. Scope of Bid** Energy Fiji Limited (hereinafter referred to as "the Employer"), wishes to receive bids for Supply of Petrol Drill for overhead Power line Maintenance works as specified in these bidding documents on a preferred supplier basis.
- 2. Eligible Bidders** This Invitation to Bid is open to bidders who have sound financial background and have previous experience in supplying Petrol Drill for overhead Power line Maintenance works.

Bidders shall provide such evidence of their continued eligibility satisfactory to the Employer as the Employer shall reasonably request.

Bidders shall not be under a declaration of ineligibility for corrupt or fraudulent.
- 3. Eligible Materials, Equipment and Services** The Petrol Drill is to be supplied under the Contract shall have their origin from reputable companies from various countries. The bidders must provide evidence of the origin of the Petrol Drill.
- 4. Qualification of the Bidder** To be qualified for award of Contract, bidders shall submit proposals regarding scheduling and resourcing which shall be provided in sufficient detail to confirm the bidder's capability to fulfil the contract.
- 5. Cost of Bidding** The bidder shall bear all costs associated with the preparation and submission of its bid and the Employer will in no case be responsible or liable for those costs.
- 6. Deadline for Submission of Bids** Bids must be received by the Employer at the address specified above no later than 1600 hours (Fiji Time) (16<sup>th</sup> February 2022).

The Employer may, at its discretion, extend the deadline for submission of bids by issuing an addendum, in which case all rights and obligations of the Employer and the bidders previously subject to the original deadline will thereafter be subject to the deadlines extended. Any request for tender extension must be made 72hours prior to tender closure.
- 7. Late Bids** Any bid received by the Employer after the deadline for submission of bids prescribed will be rejected.
- 8. Employer's Right to Accept any Bid and to Reject any or all Bids** The Employer reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the Employer's action.

**9. Notification of Award**

Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder by fax/email, confirmed by registered letter, that its bid has been accepted. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") shall name the sum which the Employer will pay the Contractor in consideration of the execution, completion and maintenance of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Conditions of Contract called "the Contract Price").

The notification of award will constitute the formation of the Contract.

Upon the furnishing by the successful bidder of a performance security, the Employer will promptly notify the other bidders that their bids have been unsuccessful.

**10. Signing of Contract Agreement**

At the same time that he notifies the successful bidder that its bid has been accepted, the Employer will send the bidder the Form of Contract Agreement provided in the bidding documents, incorporating all agreements between the parties.

Within 7 days of receipt of the Form of Agreement, the successful bidder shall sign the Form and return it to the Employer.

**11. Corrupt or Fraudulent Practices**

The Employer requires that the Contractor observe the highest standard of ethics during the procurement and execution of such contracts. In Pursuance of this policy, the Employer:

- (a) defines, for the purposes of this provision, the terms set forth below as follows:
  - (i) "corrupt practice" means behavior on the part of officials in the public or private sectors by which they improperly and unlawfully enrich themselves and/or those close to them, or induce others to do so, by misusing the position in which they are placed, and it includes the offering, giving, receiving or soliciting of anything of value to influence the action of any such official in the procurement process or in contract execution; and
  - (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Employer, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-

competitive levels and to deprive the Employer of the benefits of free and open competition;

- (b) EFL will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

## Preferred Supplier of Petrol Drill for Overhead Power Line Maintenance Works

### 1. General Description

This tender is to purchase quality, durable and reliable Petrol Drill for overhead (415V, 11kV and 33kV) Power line maintenance works for Energy Fiji Limited ('EFL'). The bidder's proposal shall address all specification and provide sufficient information and supporting documentation in order to determine compliance.

Refer to sample image below to give the bidder an idea of the machine EFL is looking for purchase. The bidder may bid for a similar item used for Power line maintenance works on overhead infrastructure (Power Poles with wooden cross arm) for an Electrical Utility.

*Figure 1 Petrol Drill*

Note: The above figure can be used for reference only. It does not depicts the actual item required.

The tender for "Preferred Supplier of Petrol Drill for Overhead Power Line Maintenance Works" will be awarded for a supply period of 2 (two) years as the preferred supplier. EFL has ongoing projects requiring such equipment hence purchase quantity will be on an as per need basis (no fixed quantity will be provided however EFL is estimating to purchase between 5-10 units) for a **fixed price** for next **2 (two) years**. The estimate is non-binding and is for reference only.

## 2. Technical Specification

**Note to bidders:** Please submit a copy the table below with your products details (in the BIDDERS COMMENTS column) in comparison to what is required by the employer. Also submit the datasheet of the product.

### A. Petrol Drill

Specification	Requirements	Bidders Comments
Brand of product	Bidder to specify	
Origin of Product	Bidder to specify	
Engine Displacement	Between 25cc – 30cc	
Weight (Dry & without Auger)	Approximately 11.02lbs/5.0kg or less	
Bore	32mm - 36mm	
Stroke	28mm - 32mm	
Engine Power	0.8kW at 7000rpm	
Idle Speed	2,500rpm - 3,000rpm	
Cut-off Speed	9,500rpm	
Ignition System	Electronic Magneto Ignition	
Spark Plug Type	BPMR7A	
Fuel System	All position diaphragm carburettor with integral fuel pump	
Fuel Tank Capacity	250cc or 0.2L - 0.3L	
Dimensions (LxWxH)	Length – 230mm - 240mm Width – 230mm - 240mm Height – 435mm - 445mm	
Sound Pressure and Power Levels	Sound Pressure 98dB, ENISO 11201 Sound Power 103dB, ISO 3744	
Vibration Measurement	To be as per ISO 8662	
Type of usage	To be used outdoors to drill on Power Poles and Cross arms.	
Warranty	1 Year	
Product Datasheet	Bidder to submit with the bid	
Product used by other utility	Provide reference/evidence that offered product has been used by other electrical utilities in Australia or New Zealand	
Delivery timeframe	6weeks from issue of purchase order	

Backup Service	Does the bidder provide repair, maintenance and servicing for the product offered?	
----------------	------------------------------------------------------------------------------------	--

### 3. Quantities Per Set

The Petrol Drill for Power Line Maintenance Works will be purchased in a minimum quantity of 1 set. One (1) set of Petrol Drill must contain one (1) x Petrol Drill and any other accessory that needs to accompany the equipment.

The bidder must also provide prices for any item/accessory spares with the bid and add it to the bidding table if available.
