Item #1 – Steel Plates, Pipelines, Valves, Fittings, Meters, Line strainers per bill of quantity

Refer to Attachment 1-Material & Equipment Specification and Bill of Quantity (BOQ)

All materials, equipment and finishes shall be as per the specifications listed below:

Item #2 - Tank shell, backing ring and floor plates: Material spec to ASTM A 131M/A 131 Grade A, ISO 630 Grade E 275, CSA spec CSA G40 21M, 260W/(38W). Roof sheet to ASTM A570M/A570 Grade 33

- (a) Tank nozzles: ASTM Spec ASTM A106 Grade B, Schedule 80 or ES pipe.
- (b) Flanges: ASME B16.5-ANSI Class 150 –RF.
- (c) Valves: API 6D/ ASME B16.34. Valves for 50mm and above shall be Class 150 single wedge gate valves with rising stem. Valves less than 50mm shall be Class 600# single wedge gate valves.
- (d) Paint: Interzone 954-Silver Grey for both tanks and pipelines.
- (e) Pipe: Schedule 40 (std wt) seamless pipe to ASTM A106, or EN10216-10219-AS1518. Extruded high-density. polyethylene protective coating for underground pipes.
- (f) Gaskets: Spiral wound gaskets/graphite base gaskets.
- (g) Bolts and Nuts: ASTM A194 Grade 2H Nuts and ASTM A193 Grade B7 for Studs.
- (h) Electrical protection: All Electrical equipment and materials that is to be used in Zone 0, Zone 1 and Zone 2 areas should be explosion proof EX rated.
- (i) Pumps: Constructed of either cast steel or spheroidal graphite cast iron to ASTM A395, or equal.

Item # 3 -Reference Code and Standards Refer to scope of works for Material Specifications and standards reference for this project shall be API653, API650, AS3000, NFPA30, ASME B31.3

2. Payment Plan

- 20% with issuance of Purchase Order
- 40% due upon receipt of shipping documents confirming materials are onboard the ship and receipt of required test certificates
- 40% due 30 days after arrival construction materials and confirming equipment is on site, allowing for clearances, inspection and acceptance

3. Clarifications

Any questions and clarification inquiries must be posted in the RFP's tender forum in Tenderlink or by email to CEO at jack.chonggum@mecrmi.com.

4. Proposal Submission:

Each material quote submission must clearly show that the required specification items are met and highlight any optional additions or deletions and their individual associated cost.

All Proposals must be quoted in United States dollars and shall include the following information:

- a. Technical specification Data sheets & Brochures of Product Offered
- b. Partial or staggered deliveries will be accepted, and partial payments will relate to partial shipments but a preliminary delivery schedule must be submitted with the bid.
- c. Proposal (price, delivery, and terms) should be inclusive of all applicable clearing fees in the RMI – i.e import tax, port and clearing charges, freight to Ebeye, Republic of the Marshall Islands.

5. Evaluation Criteria

Lowest price submitted will **NOT** automatically be selected. **Incomplete** or **partial** proposals/bids will not be considered. Award will be made after consideration of the following factors as marked below:

Financial (50%):

- Lump Sum Fixed Price for total Material/equipment for KAJUR Fuel Tanks and Facility Upgrade. Lump Sum Fixed Price should be inclusive of all applicable clearing fees in the RMI – i.e import tax, port and clearing charges, freight to Ebeye, Republic of the Marshall Islands.

Technical (40%):

- Quality and Quantity of materials/equipment offered as per requirements above.
- Delivery Timeframe of within **12 weeks** from award
- Partial deliveries will be accepted and partial payments will relate to partial shipments but a preliminary delivery schedule must be submitted with the bid.
- Ability to meet Payment Terms as stated in **Item # 2** above
- Company profile/past performance/reference letters
- Warranties and certificates including safety certificates
- Technical or service support program
- All Materials are in Compliance with all API construction codes and standards in relation to the Project.

Past performance (10%):

- KAJUR or MEC experience with the company, including but not limited to experience on delivery timeframe, quality of goods, packing of goods/containers, and overall customer satisfaction

6. Closing dates for Quotations:

Interested vendors should submit a quote for the materials and equipment as described in this RFP. Proposals are due to the following electronic bidding tenderlink address **by 3:00 p.m. on March 31, 2022**. Offers received after the closing date will be rejected and submission disqualified.

7. Method of Submission of Quotation:

Submission of quotations shall be done electronically through e-Tender Box on TenderLink <https://www.tenderlink.com/mecrmi/>. Manual/hardcopy submission is allowed. Submission can be made to Marshalls Energy Company in a sealed envelope, attention: Jack Chong Gum

The electronic submission procedures shall be:

- (i) Proposers or Vendors that are not yet registered with TenderLink are required to register as supplier to enable downloading of the tender documents. Please click on the 'Registration' tab of the portal: <https://www.tenderlink.com/mecrmi/>.
- (ii) Upload your price quotation or proposal on the e-Tender Box before the time and date indicated herein. The submission box will close on the said deadline.
- (iii) To ensure your quotation or proposal is received before the closing deadline, we strongly recommend that you allow sufficient time to upload your proposal submission files.

8. Validity of Price Quoted:

90 days from the date of submission of the quotation.

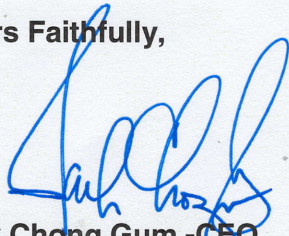

The quotation should have the heading **“KAJUR RFP #22-001 KAJUR FUEL TANKS AND FACILITY UPGRADE MATERIALS AND EQUIPMENT”**

9. RFP Results:

Proposals will be opened and confirmed by MEC, for and on behalf of KAJUR, at **3:00PM on the 31st of March 2022**. Each Proposer or Vendor will be designated as - A, B, C etc, and the lump sum (total) price recorded for public viewing and for purposes of transparency

MEC reserves the right to reject any and all Requests for Proposals submitted for any reason, if in MEC's sole opinion to do so would be in KAJUR's best interest.

Yours Faithfully,

**Jack Chong Gum -CEO
Marshalls Energy Company**
