November 3, 2023

AMENDMENT NO.: XIV

TO

INVITATION FOR MULTI-STEP BID NO.: GPA-012-23

FOR

RENEWABLE ENERGY RESOURCE ACQUISITION PHASE IV

Prospective Bidders are hereby notified of the following responses to clarification from Bidder No.: 5 dated October 5, 2023:

**QUESTION:**

1. We are writing to express concerns regarding one of the Affidavit requirements as below.

KEPCO Consortium have signed all affidavits (8 in total, including the most recent Contingent Fees Affidavit),

and had them notarized by the Korean notary agencies,

so that they can be submitted within the 60 days of the previous Technical Proposal Cut-off date (August 18, 2023).

However, since the Technical Proposal submission cut-off date is now extended twice from such previous cut-off date, (once to October 2, and once more to November 6)

our affidavits which were signed and notarized in early August ended up exceeding the 60-day limit.

**In this regard, we would like to request to waive or extend the time limit of the Affidavit signing date from 60 days to 90 days within the bid submission.**

**ANSWER:**

The Authority will accept affidavits signed and notarized within the 60 to 90 days from bid submission date.

All other Terms and Conditions in the bid package shall remain unchanged and in full force.

for JOHN M. BENAVENTE, P.E.  
General Manager
