

Tender No. 02/2024**REQUEST FOR PROPOSAL FOR CONSULTING SERVICES
- DAMAP HYDRO POWER PROJECT**

Request for Proposal is sought from reputable hydropower engineering firms to carryout feasibility study of Muam Danop (Damap) Hydropower Project in Aitape-Lumi District, West Sepik Province, Papua New Guinea. The project was identified in an Option Study for East Sepik Hydropower Development carried out by Hydro Tasmania in 2005. The consultant is required to:

(a) identify the most technical and economically feasible options for the Maum Danop (Damap) hydropower scheme and recommend to the employer an option for detailed feasibility study, and

(b) carry out detailed feasibility study on the most technically and economically feasible option without ignoring/restricting further cascade development options.

Brief project details are shown.
