ISSUANCE DATE:

November 5, 2024

RFP NO.:

**RFP NO. ASPA24.051 – Construction of Fagaalu to Utulei ACP
Replacement Project**

SUBJECT:

Addendum No. 3

The American Samoa Power Authority hereby issues Addendum No. 3 to amend Request for Proposals (RFP) requirements. This addendum is issued pursuant to the conditions of the RFP documents and is hereby made part of the RFP. The addendum serves to clarify, revise, and supersede information contained in the RFP. The Offeror must acknowledge receipt of this addendum in the appropriate space provided in the Addendum Form. Failure to do so may subject the Offeror to disqualification.

1. **The closing deadline has been extended as follows:**

New Closing Date: Friday, November 29, 2024 at 2:00PM

2. **Responses to queries received regarding this tender are included with this Third Addendum, as well as revisions to the bid forms. All previous versions of the bid form are obsolete and will not be considered by the evaluation committee.**

Should you have any questions or need clarification, please call me at (684) 699-3057 or procurement@aspower.com.

Sincerely,

Renee Leotele Togafau
Procurement Manager

Please sign and date below to acknowledge receiving Addendum 3. You may return this document via email at procurement@aspower.com, or the ASPA Procurement Office.

RFP NO. ASPA24.051 - FAGAALU TO UTULEI ACP REPLACEMENT

No .	Question	Answer:
1	In the bid form of Phase 2, Item 10, Concrete Pavement to Existing grade having a quantity of 450 sq. yard. Similiary in the Alternative Bid Form, Phase 2 Item 10, has the same scope of works and quantities. Is this scope of work different from each other?	Line Item #10 on Bid Form - Phase 2 has been removed. Please see revised Bid Forms included with this Addendum.
2	Will ASPA provide materials for Phase 1 Alternative Item(s) 2, 3, and 4?	Contractor will provide materials for the booster station building. ASPA will provide materials for the general electrical, and electrical work. Contractor shall provide materials for fencing. Contractor shall also provide materials for asphalt pavement restoration.
3	Can you please advise if Euler Hermes North American Insurance Company is an acceptable surety to ASPA?	A list of certified companies issuing insurance bonds can be found at the following link: https://www.fiscal.treasury.gov/surety-bonds/list-certified-companies.html
4	Can you please confirm that the Price Proposal and Non Price Proposals should be in separate sealed packages?	Yes, the cost proposal should be in a separately sealed envelope from the Non Price Proposal
5	Are we required to submit any copies of the proposal or just the original?	At least one original and a PDF is fine.
6	Is Attachment C - Offeror's Qualification Form supposed to be submitted with the Price Proposal or Non - Price Proposal?	Attachment C should be submitted as part of the non-priced proposal.
7	Does completing Attachment C - Offeror's Qualification Form serve as meeting all the elements of the Non Price Proposal?	No, there are several other attachments included in the RFP that need to be submitted together with the non-priced proposal. The non-priced proposal should include enough details to help the SEB determine that the contractor has sufficient knowledge and experience to complete the project, as well as the resources.
8	Please advise if there are any page limits.	There are no page limits.

ASPA24.051 Fagaalu to Utulei ACP Replacement Addendum 1:

1. Additions Drawing:
 - a. Phase II- Revised Sheet C040- Waterline to Blunts Point 1Mg tank
 - b. Addition to Sheet C501, Above Grade Stream Crossings:
 - i. Above Ground Bridge Crossing #1 station 31+60
 - ii. Above Ground Bridge Crossing #2 station 34+40
2. Revisions to the ASPA Procurement and Technical Specifications:
 - a. Page 108, under Section 33 14 11 Water Utility Transmission Piping, under Measurement and Payment, with regard to PVCO Water Main and Ductile Iron Water Main - disregard second sentence in parenthesis that says:
 - i. (Quantity of imported bedding material required, if any, will be paid separately under its own Line Item).
 - ii. To clarify, pipe bedding (or imported bedding) material is incidental to any water main (or service line) installation.
3. Revision to the Bid Form
 - a. Revised Phase I bid form
 - b. Revised Phase II bid form
 - c. Revised Phase III bid form
 - d. Revised Phase I to Phase III
4. Additional requirements to be included in the RFP documents, as discussed during the pre-bid meeting and site visits.
 - a. During construction, any ground-disturbing activities shall be monitored by an in-house archaeologist. If any historic properties are discovered, they shall be treated according to 36 CFR 800.13 for review, and work shall cease at no cost to ASPA, but contract extensions may be valid
 - b. During construction, the contractor shall install a shoring structure during trenching to prevent collapse and shall in accordance with 29 CFR Part 1926.
 - c. As-Built: The contractor shall provide as-built drawings for each submitted pay application. Payment applications will not be processed due to contractor's failure to provide the required as-built during that pay period.

NOTE:
