

ENERGY FIJI LIMITED

Tender No: MR 232/2025 Owner's Engineer for Vatutokotoko Hydro Power Project

Notice to Tenderers No.1 – Site Visit 6th & 7th August 2025

All the interested Tenderers are kindly advised that the 6th August 2025 site visit will take place as scheduled. However, interest has been shown to visit all the major component project locations which may require more time.

Therefore, this site visit will be conducted over 2 days as scheduled below;

Day 1 – 6th August 2025

- Site visit to Vatutokotoko Dam site, intake sites, Savatu Weir and Tunnel route from Vatutokotoko Dam site to Savatu Weir.

Day 2 – 7th August 2025

- Site visit to Power House location and penstock route. For day 2, meeting point shall be EFL's Nadarivatu Camp site at 9.00am.

All participants are hereby notified that multiple river crossings will be required to access the project sites above therefore, life jackets, PPE's, etc., will be responsibility of the participants if needed. We also recommend carrying sufficient food / water supply and first aid kits.
