

NAURU UTILITIES CORPORATION

Aiwo District, Nauru Island Central Pacific R.O.N

Invitation to Pre-Bid Meeting

Tender Reference #: 02/2025

Tender Title: *Design, Procurement, Installation, Testing and Commissioning of 2 × 2 MVA High Speed Diesel Generator Sets at the NUC 6MW Solar Site*

Dear Prospective Bidders,

The Nauru Utilities Corporation (NUC) invites all interested and eligible bidders to attend a Pre-Bid Meeting for the above-referenced tender. The project involves the design, procurement, delivery, installation, testing, and commissioning of two (2) 2 MVA high-speed diesel generator sets to be integrated into the existing NUC power generation facilities at the 6MW Solar Site in Nauru.

Pre-Bid Meeting Details

- **Date:** 15/10/2025
- **Time:** 10.00am
- **Venue:** PPA Board Room, Naibati House, Suva, Fiji. Virtual link will be sent out
- **Attendance:** Open to all prospective bidders,

Purpose of the Meeting

The meeting aims to:

1. Provide an overview of the project scope, technical requirements, and tender conditions.
2. Clarify the bidding process, submission requirements, and evaluation criteria.
3. Address questions and clarifications from prospective bidders regarding the tender documents.
4. Familiarize bidders with the installation location and site conditions.

Instructions for Bidders

- Bidders are advised to review the tender documents in detail prior to the meeting.
- All clarifications raised during the meeting will be formally documented and circulated to all bidders.
- Interested firms should confirm their in-person or virtual attendance by notifying NUC at apenisa.manuduitagi@nuc.com.nr no later than 14th Oct 2025. A virtual link will be circulated to those confirming by email before the mentioned date.
