

Workshop Agenda

Inspection and compliance checks for Solar PV Systems (AS/NZS / NEC)

Day 1	Day 2
8:30 - 10:00	8:30 - 10:00
Introduction and Welcome Session 1A: Working Safely with Systems Session 1B: Solar Resource	PPA Conference Opening Ceremony
10:30-12:00	10:30-12:00
Session 2A: PV Cells and Modules Session 2B: Grid Connect (PV) Inverters	Session 5: “Enabling Efficient DER Interconnection Through Advances in Codes, Processes and Analytics” (Session by University of Hawaii)
1:00-3:00	1:00-3:00
Session 3A: Inspecting grid-connected PV systems Session 3B: Brief overview of Inspection checklists (AS/NZS & NEC)	Session 6: Site Visit and Completing Inspection Checklist Site Palau International Airport 225 kW Panels 100 x 4 Sanyo Denki
3:30-4:30	3:30-4:30
Session 4: Australian Inspection Experience: “The good, the bad and the ugly” Geoff Stapleton (online)	Session 7: Reporting and Group Discussion
