January 27, 2026

Marshall Islands Energy Company (MEC) hereby invites your company to submit a **formal quotation** for the supply of **two (2) used Ford F-550 bucket trucks** for utility and line maintenance operations.

### **1. Scope of Supply**

The vendor shall supply **two (2) fully operational used Ford F-550 bucket trucks** that meet or exceed the minimum technical specifications outlined below.

### **2. Minimum Technical Specifications**

#### **2.1 Vehicle Requirements**

- Make / Model: Ford F-550 Super Duty
- Condition: Used, in good working condition, free from major defects
- Model Year: 2018 or newer (preferred)
- Drive Configuration: 4x4 (preferred)
- Engine: Diesel (Ford Power Stroke or equivalent)
- Transmission: Automatic

#### **2.2 Bucket / Aerial Device Requirements**

- Minimum Working Height: 40 ft (45–50 ft preferred)
- Boom Type: Insulated, utility-rated (ANSI compliant)
- Bucket Capacity: Single-person or two-person bucket
- Controls: Fully functional upper and lower controls
- Safety Features: Emergency descent system, outriggers/stabilizers

### **3. General Conditions**

- Vehicles and aerial devices must be fully operational and tested
- No major hydraulic leaks or structural damage
- Service and maintenance history to be provided where available
- Clear photographs and/or recent inspection reports required
- Estimated remaining service life of the bucket/boom to be stated

### **4. Quotation Requirements**

Your quotation must clearly include the following:

1. Unit price per truck
2. Total cost for two (2) units
3. Delivery terms (CIF Majuro, Republic of the Marshall Islands preferred)
4. Estimated delivery timeline from date of award
5. Warranty, guarantees, or post-sale support (if applicable)

Vendors may also propose **alternative units with comparable or superior specifications** for MEC's consideration.

## **5. Evaluation**

Quotations will be evaluated based on compliance with specifications, price, delivery time, condition of equipment, and overall value to MEC.

## **6. Submission**

Please submit your quotation and supporting documents by **2/7/2026** via email to **shem.livai@mecrmi.com**.

MEC appreciates your interest and looks forward to your response.
